

## RATCHET WINDSHIELD CUTTER

Reference : OC 6498

<b>Item name</b>	RATCHET WINDSHIELD CUTTER
<b>Bar code</b>	3700461400070
<b>Text</b>	<p>This single suction cup kit with pump allows, thanks to the nylon thread, to remove the windscreens without damaging the gaskets, so it is not necessary to disassemble them. The gasket is cut by pulling a wire (or cable) operated by a ratchet system. This suction cup, due to its small size, allows you to work on the windscreens, rear windows and the side panels of a vehicle. Easy to use, it allows a quick intervention (a few minutes) by a single operator and without any physical effort. This tool has been certified by a large number of car makers.</p>
<b>Product highlight</b>	1 operator and effortless cutting
