

3/8" DOUBLE HEX INSULATED SOCKET 17mm

Reference: OE 0240

Item name 3/8" DOUBLE HEX INSULATED SOCKET 17mm

Bar code 3700461406102

Text This socket is specifically designed for use on hybrid and/or electric vehicles. In order to

guarantee an optimal comfort of use, the insulation around the socket is as thin as possible

while guaranteeing a good grip and a good adhesion with gloves.

The double layer of insulation in two different colors makes it possible to identify at a glance if the insulation (orange color) is damaged and therefore rendered unusable. This socket is electrically insulated, tested to 10000 V and approved to 1000 V AC.

Warranty period lifetime

Recesses Double Hex female

Voltage 1000V

Length (mm) 43.00 mm

Width 29.00 mm

Recesses size 17mm

Tariff code Tariff Normal (TN)

Drive 3/8"
