

TORX INSULATED T30 SCREWDRIVER 1000V PREMIUM

Reference : OE 0561

| | |
|--------------------------|--|
| Item name | TORX INSULATED T30 SCREWDRIVER 1000V PREMIUM |
| EAN code | 3700461407024 |
| Intro | A time-saving screwdriver. |
| Text | <p>The screwdriver has a perfectly round handle end providing to the user an excellent grip and working comfort. This end of the handle is also rotatable which facilitates the tightening approach: the rotating ball of the handle is held in the palm and the fingers control the rotation.</p> <p>Thanks to the cutting of the blade, there is no extra thickness of insulation on the upper part of the blade to reach the screws housed in fine wells.</p> |
| Product highlight | Rotating handle end |
| Specifications | <p>Specifications:</p> <ul style="list-style-type: none">- standard: EN 60900 / IEC 60900 / ISO2380-1 / ISO8764-1.- blade: high performance hardened steel: chrome molybdenum.- treatment: insulation sheath integral with the handle, directly injected on the blade.- dimension: L.225mm |
