

INNER BEARING REMOVAL SET

Reference : OM 8033

Item name INNER BEARING REMOVAL SET

EAN code 3700461407598

Intro This assembly allows for quick and easy removal of the inner ring from the bearings without damaging it.
When removing the hubs, the rings remain in their housings and without special tools it is not possible to remove them without risk of damage.

Text This set can be used to replace rings from Ø35 to Ø61mm.
