

COOLING SYSTEM ADAPTER

Reference : AC 0806

Item name COOLING SYSTEM ADAPTER

Bar code 3700461408151

Text This adapter can be used with the other T-adapters already included in the AC 0800 SET (digital pressure gauge), to perform a cooling system pressure test. Its design mimics the OEM connection allowing to connect to different locations in the cooling system (helps to locate a problem by bypassing certain components).
Example of use: connection to EGR coolant port, radiator pressure release port, controlled thermostat port, coolant expansion tank port...

Warranty period 2 years

Tariff code Tariff Normal (TN)

Warranty Procedure EASY
