Text Our base unit (MA 0002) has dimensions that allow it to have 15% more storage capacity than similar standard products on the market.

For comparison :

- CLAS furniture : W.600xH.900xD.600mm = 0,324m³

- similar furniture on the market: W.600xH.910xD.450mm = 0,245m³

This piece of furniture also has a double interior partition specifically designed to absorb small shocks related to storage while preserving the exterior appearance. The door is equipped with two hinges guaranteeing a perfect door/frame alignment as well as two powerful magnets keeping it fully closed without the need for locking. The worktop has a large depth (600mm) facilitating the handling of bulky parts.
