

CYLINDER LEAK TESTER

Reference : AC 0816

Item name CYLINDER LEAK TESTER

Bar code 3701555306599

Introduction The automotive market is evolving, the trend is towards smaller engines that generate the same power, which leads to various problems: even small differences in cylinder tightness can strongly affect the behavior of these engines.
The cylinder leakage test is therefore becoming a must!

Text Connects directly to the universal pressure tester ref. AC 0800 or to the pressure gauge included in the kit.
Ideal for guarantees and traceability thanks to the possibility of recording and printing the test report. (When used with AC 0800)
The leak test will quickly tell you what the problem is (intake, exhaust, segmentation).

Product highlight Precise diagnosis

Specifications Specifications:
- Fittings: M10, M12 and M14
Can be connected to all gasoline and diesel compression fittings of the AC 0800

Warranty period 2 years

Tariff code Tariff Normal (TN)

Warranty Procedure DIAGNOSTIC

***Public price Exl. Tax : €289.00**

*Applicable user fees from 01/09/2024 to 31/08/2025
