

## MOTORIZED WINDSHIELD CUTTING KIT

Reference : OC 1402

<b>Item name</b>	MOTORIZED WINDSHIELD CUTTING KIT
<b>EAN code</b>	3701555307367
<b>Intro</b>	Electrically assisted cutting system on all types of windshields by a single operator.
<b>Text</b>	<p>This tool allows you to work alone and without effort thanks to its electric assistance system. It cuts all types of windshields efficiently and effortlessly.</p> <p>It is thus possible to remove "encapsulated" windows (windshield, window, quarter glass) without damaging the seal or the support.</p> <p>The risks of touching the window and the various trimmings are reduced, guaranteeing a fast, precise and especially effortless work thanks to the 12V motor to be coupled to the vehicle's power supply. Moreover, thanks to its wireless remote control, the operator keeps control of all the cutting steps, both inside and outside the vehicle.</p>
<b>Product highlight</b>	No effort when cutting
<b>Contents</b>	<p>Contents:</p> <ul style="list-style-type: none"><li>- motor equipped with its suction cup, powered by a standard plug (cigarette lighter 12v, length 1.7m) supplied</li><li>- wireless remote control (for viewing and controlling wire tension)</li><li>- suction cup with attachment hook (to be positioned outside the window)</li><li>- suction cup with return pulley (to be positioned inside the vehicle)</li><li>- nylon thread spool</li></ul>
