

WINDSHIELD IMPACT SELF-REPAIR KIT

Reference : OC 2210

Item name	WINDSHIELD IMPACT SELF-REPAIR KIT
EAN code	3701555307350
Text	<p>This tool allows the semi-automatic injection of roughing and finishing resins for "repairable" impacts.</p> <p>Indeed, thanks to its 12V motorization (to be connected directly to the cigarette lighter), the compressor will first create a vacuum cycle before injecting the different resins. The multiple pressure and vacuum cycles will then allow the resin(s) to penetrate well in order to achieve a quick and durable repair.</p> <p>The 12V UV curing lamp supplied in the kit will allow the resin to dry automatically thanks to its integrated timer. This intervention will thus avoid the aggravation of the impact (or the crack) to avoid the complete replacement of the glazing.</p>
Product highlight	Quality and speed of intervention.
Contents	<p>Contents:</p> <ul style="list-style-type: none">- metal support equipped with a strong suction cup + 2 others- 12V pressure/depression compressor- UV3 Leds lamp 12V- 12V power cord (cigarette lighter type)- air hose 1.5m- mirror
Warranty period	2 years
Vehicle type	LV

Tension 12V

Tariff code Tariff Normal (TN)
