

PHILLIPS INSULATED N4 10x200 SCREWDRIVER 1000V PREMIUM

Reference : OE 0783

Item name	PHILLIPS INSULATED N4 10x200 SCREWDRIVER 1000V PREMIUM
Bar code	3701555308883
Introduction	A time-saving screwdriver.
Text	<p>The screwdriver has a perfectly round handle end providing to the user an excellent grip and working comfort. This end of the handle is also rotatable which facilitates the tightening approach: the rotating ball of the handle is held in the palm and the fingers control the rotation.</p> <p>Thanks to the cutting of the blade, there is no extra thickness of insulation on the upper part of the blade to reach the screws housed in fine wells.</p>
Product highlight	Rotating handle end
